Learn about the work CROW does, the native  
and migratory wildlife we help  
and how you can become  
involved!

## Explore the Visitor Education Center

Visitors learn about the rescue, admission, diagnosis, treatment,  
rehabilitation and ultimately, the release of CROW's wildlife patients through  
displays, interactive exhibits, and video.

The Center also features special children's areas and live camera feeds of the hospital  
intake room and several outdoor rehabilitation enclosures.

## Daily Presentations • 11am

Presentations in the Visitor Education Center feature an Animal Ambassador and  
cover a variety of topics. Check [www.CROWClinic.org](http://www.CROWClinic.org) for details. Plan an hour for the  
popular talks including:

- Why Animals Come to CROW
- Wildlife Rescue 101
- Wild About Rehabilitation
- Patient Profiles (species specific)

## Live Animals

**Seeing is believing** - CROW's live animal exhibits compare and contrast invasive  
species found in Southwest Florida with native animals whose existence is  
threatened by their presence.

## Wildlife Walks

This program is an in-depth look at how CROW works  
includes a presentation in the Visitor Education Center,  
meet and greet with an Animal Ambassador, and  
a behind-the-scenes tour of the hospital.

Allow an hour and a half. Be sure you  
have time to explore the Center.

\*Pre-registration is required.

CROW's  
Visitor Education Center is open  
10 a.m. to 4 p.m.  
Monday through Friday.

Open Saturdays  
January through April.
